

IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF WEST VIRGINIA

CHARLESTON DIVISION

IN RE: BOSTON SCIENTIFIC CORP.  
PELVIC REPAIR SYSTEM  
PRODUCTS LIABILITY LITIGATION

MDL NO. 2326

THIS DOCUMENT RELATES TO THE FOLLOWING CASE:

*Hudson, et al. v. Boston Scientific Corp.* Civil Action No. 2:14-cv-24233

O R D E R

Pending is Plaintiffs' Motion to Transfer from Boston Scientific Corporation MDL No. 2326 to Ethicon, Inc. MDL No. 2327, filed on August 27, 2014. [Docket # 10.] Plaintiffs filed a Complaint that was transferred to MDL 2326 by the MDL Panel on July 31, 2014. Plaintiffs later filed an Amended Short Form complaint which included Ethicon, Inc. and Johnson & Johnson from MDL 2327 but did not include Boston Scientific Corp. Because Boston Scientific Corp., is no longer a named defendant in this member case it is **ORDERED** that Plaintiffs' Motion to Transfer from Boston Scientific Corporation MDL No. 2326 to Ethicon, Inc. MDL No. 2327 is **GRANTED**. I remind Plaintiffs' counsel that various forms can be found on the court's website at [www.wvds.uscourts.gov](http://www.wvds.uscourts.gov), including a form Motion to Transfer MDL. Further, on September 26, 2012, at Pretrial Order # 14 [docket # 196], I strongly encouraged the use of the Motion to Transfer form found on the courts website.

The Clerk is DIRECTED to disassociate this civil action as a member case in MDL 2326 and re-associate it with MDL 2327, and to send a copy of this Order to counsel of record and any unrepresented party.

ENTER: September 3, 2014

  
JOSEPH R. GOODWIN  
UNITED STATES DISTRICT JUDGE
